

A Better Day Curriculum Kick-Start 2020

Summary

A *Better Day Curriculum* training for administrators and teaching staff will be offered to a limited number of school districts between February 1-May 15, 2020. Trainings require a full two-day commitment from all attendees.

Trainings are delivered in person and are interactive. 50% of the total training fee (and travel if applicable) is required to reserve training dates and is non-refundable. The full balance due is required within 14 days of the first scheduled training date and is also non-refundable if training is canceled by the district. In this case, every effort will be made to provide reschedule dates at the district's request but there is no guarantee of reschedule. A full refund is provided if trainer cancels the training. A contract to train is required. A *Better Day Curriculum* will provide the contract or a district can substitute its own contract. A purchase order in process does not constitute payment until actual payment is received.

Pricing includes the trainer providing copies of the curriculum guide book for all attendees, handout copies and electronic versions of the presentation by email post-training.

For questions, to register or for a training preview, contact Sandra Alexander at abetterdaycurriculum@gmail.com

Pricing

Training

\$420.00 per participant, up to 10 participants

\$4200.00 flat fee, from 10-30 participants

Groups are limited to 30 participants.

If a training request within any district exceeds 30 participants, a second training must be scheduled and the above pricing applies.

Includes materials as listed above

Travel and expenses

For training outside of SW Colorado, mileage, hotel and per diem will be charged in addition to training costs. In lieu of itemized costs as stated above, an out-of-state stipend of \$1,500 can be added to the training cost. International stipend may vary. We can provide our travel cost schedule or we can adhere to any reasonable company reimbursement plan that the district has in place.
